1986 SEASON IN REVIEW

Never in Baylor's recent football history had a team entered a season with higher expectations than the 1986 Bears.

Only three offensive and three defensive starters were lost from a 1985 team that went 9-3 and wound up the season with a convincing Liberty Bowl victory over LSU and a Top 20 ranking.

Picked a consensus second in the Southwest Conference and 12th nationally, the Bears seemed destined for glory.

And achieve glory they did. While winning eight games and dropping only three close decisions, Baylor did indeed take the runnerup spot in the rugged SWC and nail down the nation's No. 14 ranking.

To the Bears' credit they made it one of those seasons when fans talk about what might have been. Baylor's three losses — by a combined total of 10 points — were all to Top 20 teams. Quite literally, one play in each of the three games breaking the other way would have resulted in an undefeated season.

Only a one-point loss to Texas A&M kept Baylor out of the Cotton Bowl.

Baylor's first task in 1986 was playing on the road a Wyoming team that was led by a completely new coaching staff. Not really knowing what to expect, BU coaches had to make one adjustment after another to Wyoming's "Air Express" attack.

In the end, Baylor's defense prevailed, 31-28.

The same could be said for the defense and offense a week later as the Bears had one of those days when nothing seems to go wrong against Louisiana Tech. The result: Baylor 38, Louisiana Tech 7.

A national television audience watched a thriller as USC kicked a field goal into a downpour with two seconds remaining to win 17-14. The game featured a freakish 99-yard return of a fumble for the Trojans at a point when Baylor was looking to take a 14-0 lead into the half.

Grant Teaff's crew bounced back strongly to defeat a bowl bound Texas Tech team 45-14 in Lubbock. Again, it was a case of everything falling into the right place at the right time.

The Bears then handled pesky Houston 27-13 to set the stage for a pair of games that would have a big say in the conference championship.

SMU jumped to a two-touchdown first half lead. Baylor effectively shut the Mustangs down in the second half, but could not muster enough points to take the win.

Facing virtual elimination from the SWC race, the Bears next travelled to Texas A&M for what in pre-season had been billed as the game for the league title. In a classic confrontation that more than lived up to its billing, the Aggies prevailed 31-30. It was simply a matter of two great teams going head-to-head. A year before Baylor had won a similar contest over A&M.

After seven games the Bears found themselves with a 4-3 record and two losses in the SWC. It was a time of soul-searching and rededication. To their credit, the squad's leadership said it would be satisfied with nothing less than an 8-3 record. This was a Baylor team that felt it still had something to prove.

The first stop in Baylor's "second season" was TCU, a talented squad hoping to give its grads a happy homecoming. The Frogs took a 10-point lead into the third quarter, but Baylor's big-play striking ability helped ensure a 28-17 win.

Next came Baylor's own homecoming and tough test from 10th-ranked Arkansas. Baylor turned in a gutty performance and scored the last 23 points of the game to win 29-14.

BU continued to gain momentum with a 23-17 win in Houston over Rice and 18-13 decision over Texas. Those two wins got the Bears the 8-3 record they wanted so badly and set the stage for the New Year's Eve date with Colorado in the Bluebonnet Bowl.

After accepting the Bluebonnet invitation, head coach Grant Teaff said, "This team was at a cross-roads when it was 4-3. We had set lofty goals. We knew at that point we could not achieve that goal without a miracle of some kind. So we set new goals, not quite as lofty, but still worth achieving. That we did what it took to reach those goals speaks volumes about this team. They refused to give up. They

continued to work hard and play hard. I've always said that you learn more about yourself from a loss than you do a win. What this team proved after the A&M loss is it has tremendous character. I'm very proud of them."

As much as anything, the 1986 season proved the Baylor program is truly as solid as any in the country. This Bluebon-

net Bowl is Baylor's third post-season game in four years and the fifth in the last eight years. Since 1979 Baylor is 56-31-2, including 19-6 in the last 25 games. Six of Baylor's games this season were televised and 10 Bears received invitations to play in post-season all-star games.

Nobody can say the 1986 Bears failed to live up to expectations.

They had 409 yards total offense. Baylor countered with 556 net yards for an average of 5.9 yards per snap. The lead changed hands six times before the Bears pulled in front to stay with 10:33 left in the third quarter. Nine Baylor players rushed the ball and eight caught passes. The following week, Cody Carlson was named SWC Offensive player of the Week and Thomas Everett SWC Defensive Player of the Week by the Associated Press. At a point when things were up for grabs, the Bear defense stiffened, causing two turnovers on the Cowboy's last two drives.

USC place-kicker Don Shafer ignored a thunderstorm's torrential downpour and booted a 32-yard field goal with two seconds remaining to lift the Trojans to a 17-14 upset before 35,000 in Waco. Shafer's kick capped a Trojan comeback and ended an afternoon of football oddities. USC trailed 14-7 with just 3:50 to play and had gained only 88 yards in offense up to that point. Their only score came on a 99-yard return of a fumble as Baylor's Charles Perry appeared to be putting the Bears up 14-0 just as the first half ended. But, instead, it was 7-7 at intermission. Despite moving the ball up and down the field, the Bears could manage only one second half touchdown, that coming after Ray Berry stripped the ball and Ron Francis fell on it at the USC 31. Before USC's final two scoring drives, they had four first downs, three by penalty.

A great defensive effort keyed a 27-13 win over Houston. The Bears got off to a sluggish start and helped the Houston cause early with two fumbles. One bobble set up a seven-yard drive for a Cougar touchdown and another set up a 14-yard march for a field goal. Charles Perry scored from the one to cap a 15-play, 80-yard drive which opened the second half. Still trailing 13-10, the Bears defense took over in the fourth quarter as end Keith Rose picked off a fumble in mid air and raced 45-yards for the go-ahead score.

They opened the game with a 100-yard kickoff return for a touchdown and scored on a 74-yard run from scrimmage and a 29-yard pass play. The Bears held SMU to 77 yards and one field goal in the second half. They pulled to within six with four minutes to play, but the visitors were able to run out the clock and perserve the win.

Texas A&M drove 80 yards in 16 plays to score a touchdown with 3:48 left to take a 31-30 win before a standing room only crowd of 74,739 at Kyle Field. The points gave A&M its first lead of the day. Baylor had led by as much as 17-0 in the first quarter. The Aggies would never die, though, as they closed the gap to 17-14 in the second stanza. A Baylor field goal made it 20-14 at the half, but an Aggie three-pointer in the third quarter cut the Bear lead back to three. Baylor followed with another touchdown, but A&M bounced back for one of their own, making the Bear lead 27-24 early in the fourth. The visitors added another field goal before the Aggies went on their winning drive.

Baylor overcame a slow start and a 10-point third quarter deficit to spoil TCU's Homecoming with a 28-17 win before 24,101 in Fort Worth. Baylor drew first blood with a 64-yard, 15-play drive, but the inspired Frogs scored the next 17 points. The Bears then put together an 80-yard, 16-play march to pull within three at 17-14 with 3:34 left in the third. From that point the Bear defense held firm and quarterback Cody Carlson took over. Two long distance scoring strikes produced the next 14 Bear points. First, Carlson hit streaking John Simpson for a 72-yard bomb and then he connected with Derrick McAdoo on a short flair pass which became a 86-yard touchdown.

Baylor scored 17 fourth quarter points to take a come from behind 29-14 win over tenth-ranked Arkansas before a Homecoming crowd of 44,500 in Waco. The Hogs held a 14-12 margin at the half, but could do little in the second stanza as they were held to 24 yards total offense and two first downs after the intermission. The second half belonged to the Bears. While the defense was shutting down Arkansas like nobody else has this year Cody Carlson, despite some badly bruised ribs and an infected knee, guided the Bears to scores on their last three possessions.

FOR THE RECORD

In 15 seasons at Baylor, Teaff is 89-76-5. He is 60-53-3 in SWC play. He's 131-122-7 overall in 24 years as a head coach. He has been named SWC coach of the year six times and national coach of the year once. This is Baylor's sixth bowl game under Teaff. He's 2-3 in his previous five post-season encounters. Teaff has coached 13 first-team All-Americans and 56 first-team All-SWC performers. Teaff is the nation's fourth-ranked coach for tenure at his present school, the sixth-ranked coach of SWC wins (60), the seventh-ranked coach for total wins by an SWC coach and eleventh-ranked active coach for total career wins. Teaff's 89 wins are the most in BU history. Teaff is 19-6 in his last 25 games. Teaff has coached nine post-season all-star games, the East-West Shrine Game three times, the Blue-Gray Game three times and the All-American Game, Japan Bowl and Hula Bowl once each. Teaff has been in the SWC with 31 other SWC head coaches.

GRANT TEAFF

Baylor Head Coach

Fifteen years at Baylor and 24 as a head coach have proven Grant Teaff is one of the nation's top coaches running one of college football's most solid programs.

Only three coaches — Penn State's Joe Paterno, Georgia's Vince Dooley and Michigan's Bo Schembechler — have served their respective schools longer than Teaff.

Teaff has the sixth-most Southwest Conference wins in history (60) and the seventh-most wins (89) by an SWC coach. Teaff is the nation's eleventh-ranked active coach for total career wins (131), ahead of such figures as Johnny Majors, Lou Holtz, Don James and Earle Bruce.

And, as if the numbers are not impressive enough, Teaff has been named SWC Coach of the Year six times and national coach of the year once.

That Teaff has achieved such success at Baylor is nothing short of incredible.

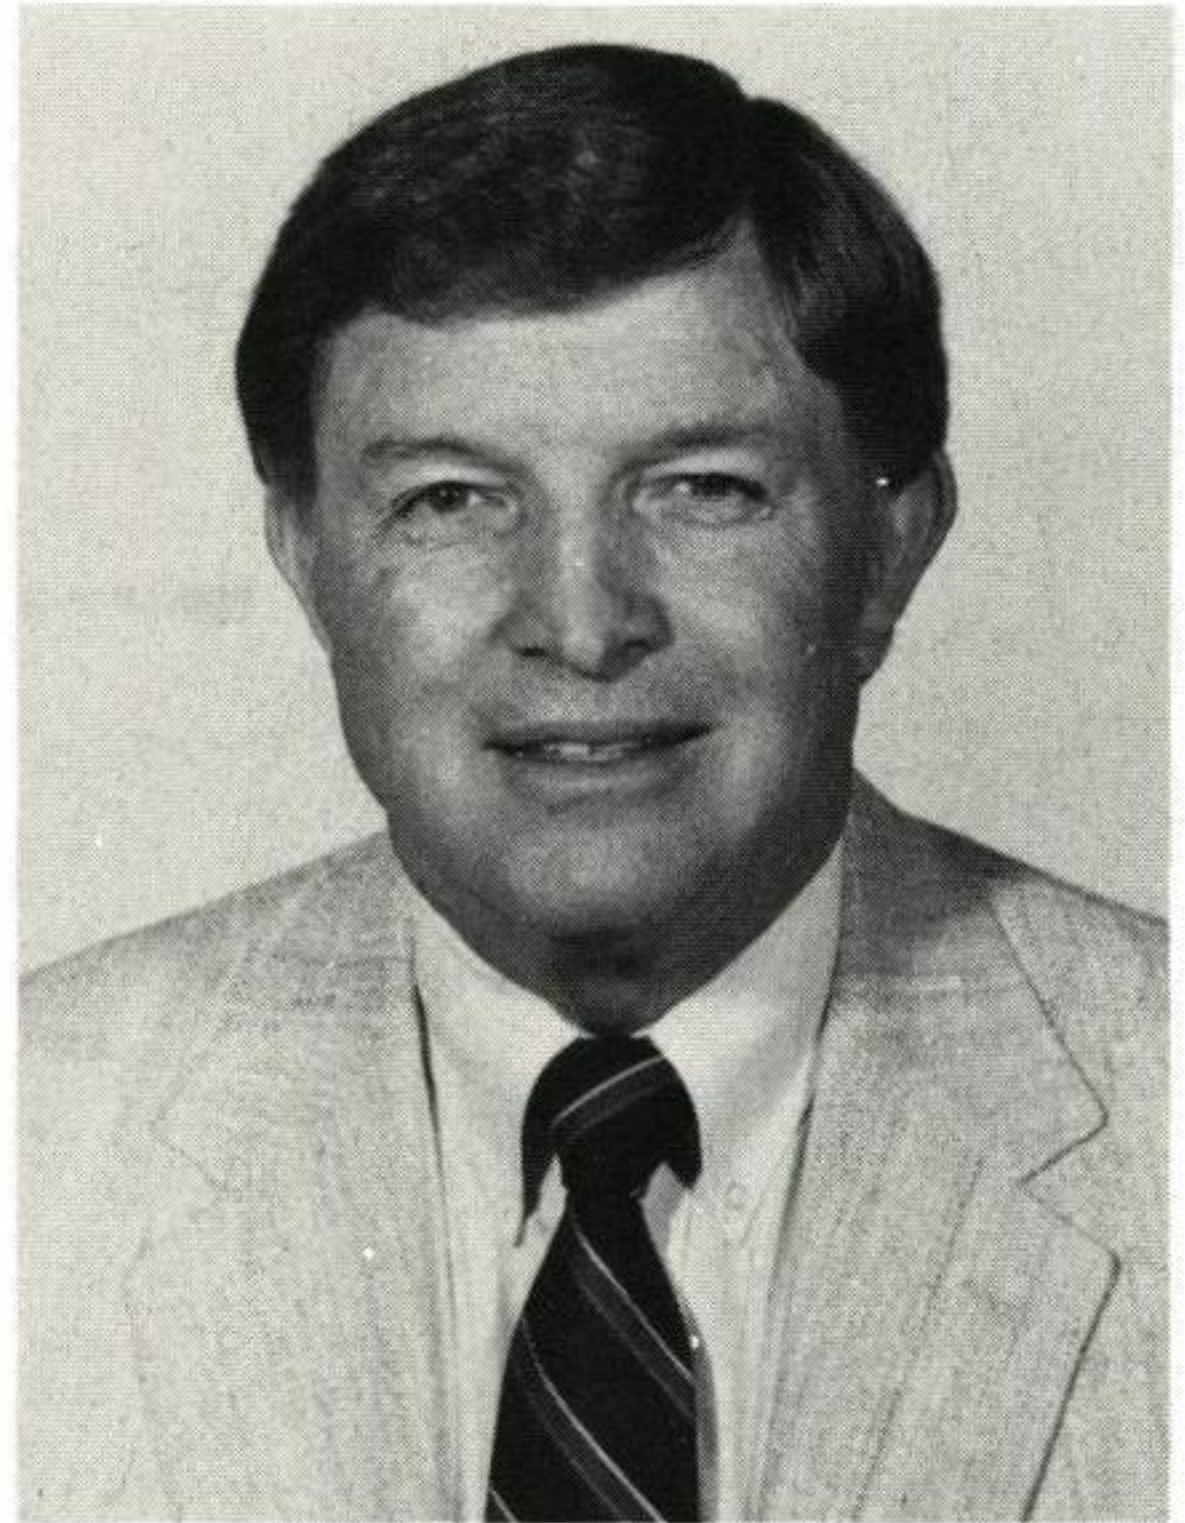

In 1972 he took over a Baylor program some experts said should drop out of the SWC. The Bears' 20th head coach inherited a team with a dismal 3-28 record the three years before he arrived. But worse than the on-field performance was the losing image the program held.

Teaff immediately went to work instilling a winning attitude in Bear faithful throughout Texas and it spilled over onto the football field. Teaff's first squad went 5-6 and came very close to earning a bowl bid. Only 13 points kept them from post-season play.

The Snyder native won SWC Coach of the Year honors in 1972 and repeated it two years later when Baylor produced "The Miracle on the Brazos," Baylor's first conference title in 50 years and first-ever appearance in the Cotton Bowl. Teaff won National Coach of the Year honors that year as well.

That season broke the ice and convinced the world Baylor could not only compete with the Southwest Conference, but with any team in college football.

Since then the Bears have made a fairly regular habit of making a run at the conference title and earning a spot in a post-season bowl. In 1979 Teaff took a

team picked near the bottom of the SWC and finished with an 8-4 record and Peach Bowl victory over Clemson. Again, Teaff was named Coach of the Year.

The 1980 Bears were picked to finish sixth in the SWC, but instead finished sixth nationally with a 10-1 record. The Bears went 8-0 in the league and took the championship by a record three games. Also, the Bears broke 28 school records and led the conference in both offense and defense.

Teaff was again named Coach of the Year.

The 1983 season was another in which Teaff's Bears stunned the SWC. Picked eighth in the pre-season polls, suffering a incredible string of injuries and playing out of revamped offensive and defensive formations with a virtually new coaching staff, Teaff put together a seven-win season and won another Coach of the Year Award.

The last two campaigns have firmly established Baylor's solidity. In a story line that has become all too familiar, the 1985 Bears were picked eighth in the SWC. But Teaff's crew won nine games and set a number of school records. Baylor's only three losses that year were to Top 20 teams on the road.

Only a gut-wrenching 17-10 loss to Texas in Austin kept the Bears from getting another conference championship ring and taking their third trip to the Cotton Bowl. Instead, Baylor soundly defeated LSU in the Liberty Bowl. After the season Teaff was given his sixth Coach of the Year Award.

This season Baylor proved '85 was no fluke. They finished the regular season 8-3 and boasted offensive and defensive squads ranked near the top of the NCAA statistics.

Only a 31-30 loss to Texas A&M in College Station kept Baylor from winning the conference and going to another Cotton Bowl.

In addition to producing winning football teams, Teaff has become recognized as one of college football's great statesmen. He helps shape the game as a member of the NCAA Rules Committee. He is also chairman of the American Football Coaches Association ethics committee.

With an 89-76-5 record, Teaff is Baylor's all-time winningest coach. His conference record is 60-53-3, and his overall coaching slate is 131-122-7. Since 1979 Teaff's Bears are 56-31-2.

Teaff has coached nine post-season all-star games, the East-West Shrine Game three times (including 1986), the Blue-Gray Game three times and the All-American Game, the Japan Bowl, and the Hula Bowl once each.

Teaff played two years of junior college football at San Angelo College and was an all-Texas Conference linebacker at McMurry College in Abilene. He was a multi-sports letterman at Snyder High School in West Texas. He captained teams at all three levels.

Teaff entered the coaching field at Lubbock High as an assistant coach. His alma mater, McMurry, then called him and he took the job as the nation's youngest head football coach. After a successful stay he went to Texas Tech as recruiting coordinator and assistant football coach. His next move was to Angelo State where, in three years, he posted a 19-11 mark, including 7-3 record in 1971.

In 1972 he was called to Baylor to begin the challenge of his life. Bear football hasn't been the same since.

Teaff's coaching philosophy places emphasis on personal development of the individual athlete and motivation to gain maximum performance. He has coached 13 Baylor players to first-team, All-American status and dozens more to All-SWC honors.

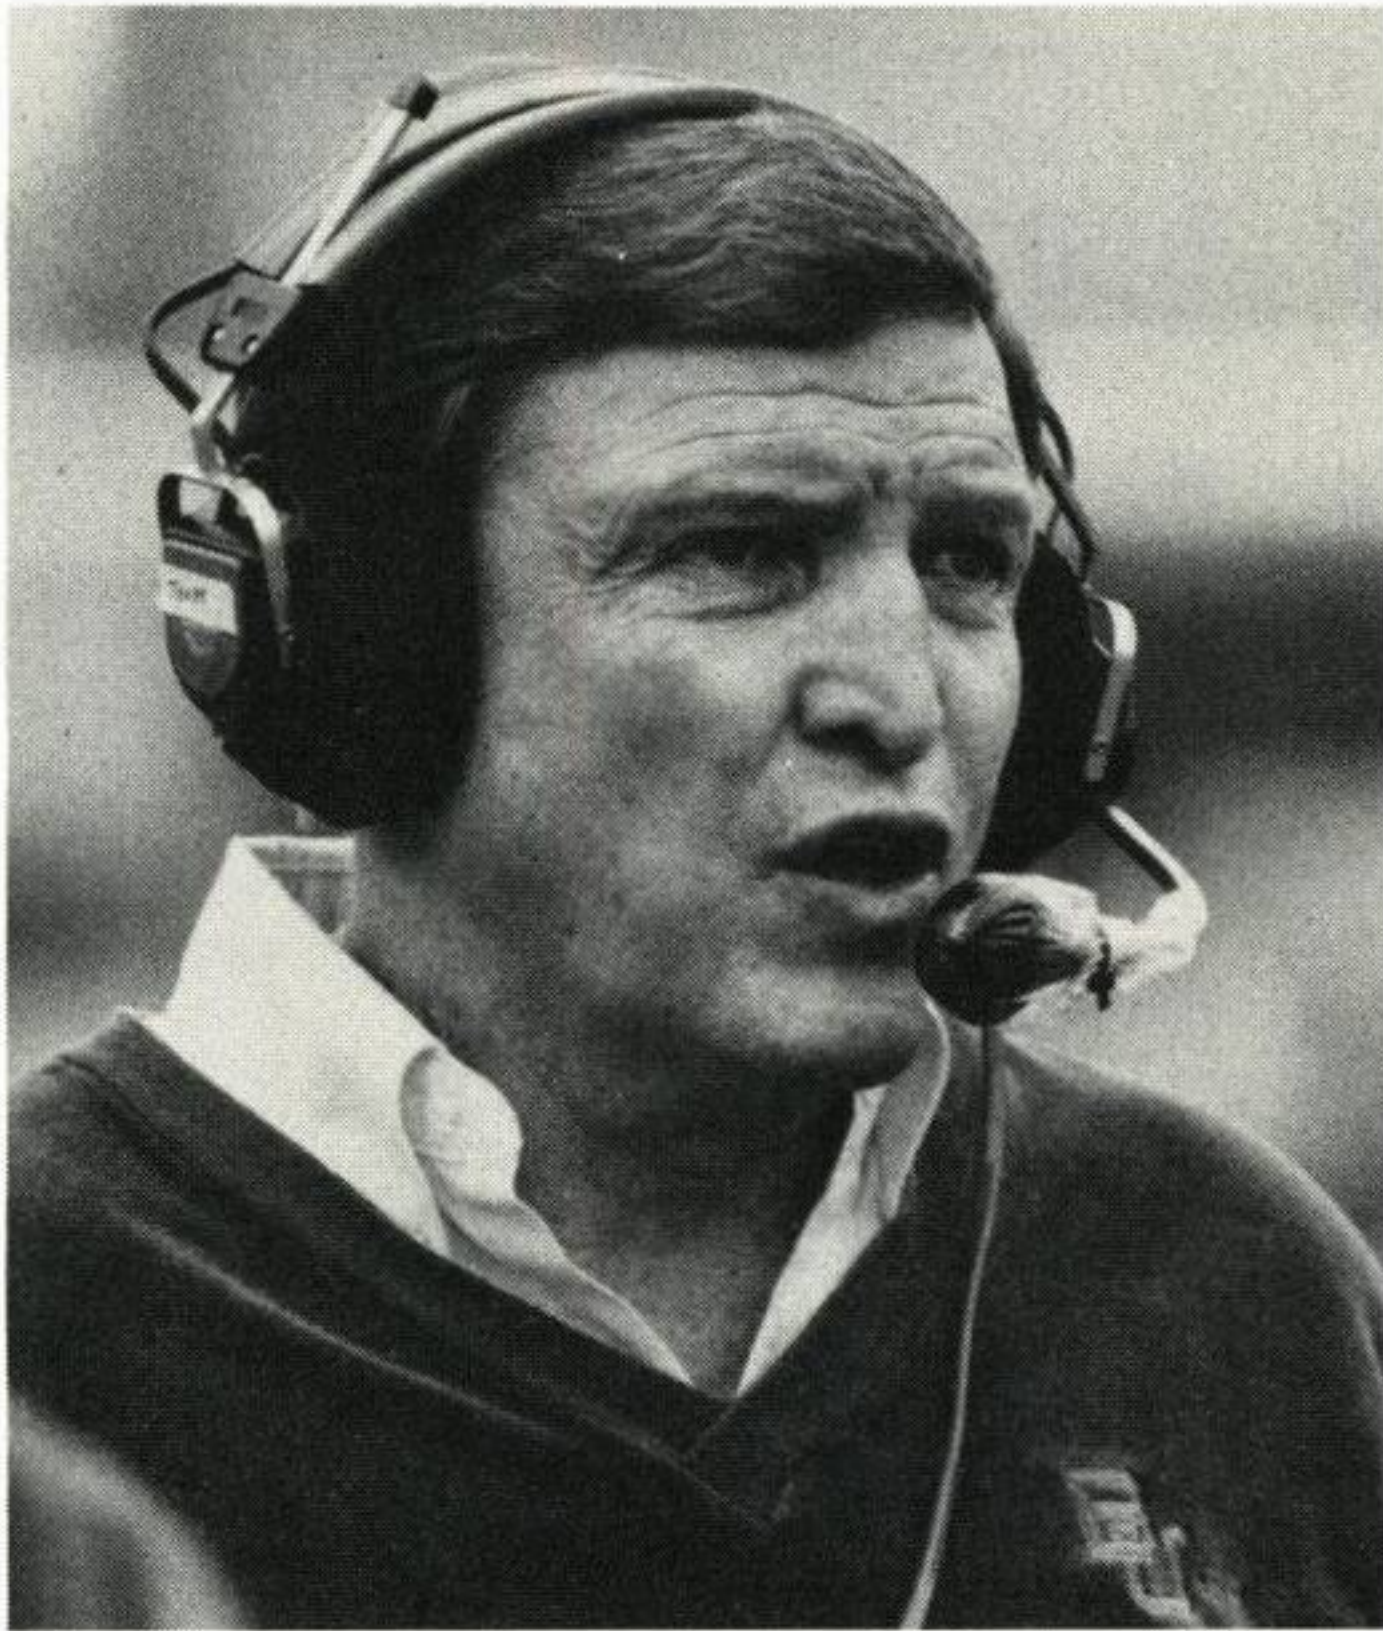

Eleven assistant coaches have left Teaff's BU staff, and all but two have gone on to become head football coaches somewhere on the college level. Recently Eddie Williamson took over the reigns at VMI and Joe Broeker became the head coach at Willamete. Two years ago John O'Hara took the head job at Southwest Texas State. Before the 1982 season Bill Hicks became the head coach and athletic director at Hoard Payne and Corky Nelson was appointed at North Texas State.

Dal Shealy (Richmond), Bill Yung (West Texas State, UT-El Paso), Ron Harms (Texas A&I), and Pat Culpepper (Northern Illinois) left earlier after training under Teaff. Former defensive backfield Mark Hatley was on Bum Phillip's staff at the New Orleans Saints.

Teaff is highly regarded for his speaking ability and is one of the nation's most sought-after speakers. He is recognized widely for his speeches on motivation to reach one's full potential. Teaff is one of the country's top football clinic speakers as well. He's active in the Fellowship of Christian Athletes, and has served on its board of directors.

In ceremonies at 1986 Homecoming, Teaff was awarded the Alumnus Honoris Causa for distinguished service to Baylor University. The award is given only to "a fraction of one percent" of those associated with the University.

Teaff and his wife, Donell, a former Texas Tech cheerleader, have three daughters. Tammy and Tracy are both Baylor graduates while Layne currently attends Baylor. The Teaff's also have one grandchild.

51 C JOHN ADICKES

Senior...22...6-2...270...Killeen (High)...3L

The consensus All-SWC selection at center ... Baylor's most consistent offensive lineman, grading out in the mid-90 percent range ... Called by two of the country's best defensive linemen, Jerry Ball of SMU and Tony Cherico of Arkansas, the best blocker they ever faced ... Ball recorded four tackles against Baylor and Cherico six ... Anchored a Baylor offensive line that averaged 438.8 yards a game, the second figure in the SWC and fifth in the NCAA ... Started at center for Baylor in the 1983 Bluebonnet Bowl.

59 OG MARK BATES

Senior...22...6-2...270...San Angelo (Central)...3L

One of four seniors starting his last game on Baylor's offensive line ... Named second team All-Southwest Conference ... Started all 11 games in 1986, his third year as a starter ... Never missed a down due to injury, just as he did in 1985 ... Graded in the upper 80 percent range all season ... Blocked on a Baylor offense that averaged 438.8 yards per game, the second-best figure in the SWC and fifth in the NCAA ... Was a second-teamer in the 1983 Bluebonnet Bowl, backing up Mark Johnson.

57 LB RAY BERRY

Senior...23...6-3...220...Abilene (Cooper)...3L

A unanimous All-Southwest Conference pick generally regarded as the best linebacker in the league ... Also named SWC Defensive Player of the Year ... Led the Bears in tackles with 99, 61 of which were unassisted ... Had ten tackles behind the line for 49 yards in losses ... Knocked down four passes and recovered one fumble ... Led a BU defense which ranked first in the SWC and third nationally ... Bears gave up only 248 yards a game and 89 a game on the ground ... BU set a school record for fewest rushing yards allowed in a season at 979.

Season high for tackles came against SMU with 15, 10 of which were solo efforts ... Had two tackles behind the line for four yards in losses in that game for which he was named Whataburger Player of the Game ... Had 14 tackles against Texas, two of which were behind the line for 10 yards in losses ... Also recovered a fumble against Longhorns ... Recorded 10 stops in Texas A&M and TCU games ... Was a second-teamer behind All-SWC linebacker Kevin Hancock in 1983 Bluebonnet Bowl.

Made two tackles behind the line for 10 yards in losses ... Also had five passes broken up ... Notched three stops in La. Tech, Texas A&M, Arkansas and Wyoming games ... In that Wyoming game, his first as a collegian, also recovered a fumble and knocked down two passes ... Bear secondary led the Southwest Conference in fewest yards per completion (5.6) and lowest passing percentage (45.0).

Another true freshman who made an impact on the Bear defense ... Backed up All-American free safety Thomas Everett, but still managed 11 tackles, seven of them solos ... Despite seeing limited playing time intercepted two passes and broke up another ... Most tackles came against La. Tech with four ... Had three against Texas Tech and Texas A&M ... BU coaches consider him to be a player with a great future due to size, speed, athletic ability and intelligence ... Won Scholar-Athlete Award from Football Foundation and Hall of Fame.

3. Since Grant Teaff became Baylor head coach, the other eight Southwest Conference schools have employed 31 men as their head football coaches. Most experts would have probably claimed this impossible when Teaff came to Waco prior to the 1972 season. The head coaching breakdown:

Arkansas: Frank Broyles (1958-76); Lou Holtz (1977-83); Ken Hatfield (1984-present).

Houston: Bill Yeoman (1962-86; Jack Pardee (present).

Rice: Al Conover (1972-75); Homer Rice (1976-77); Ray Alborn (1978-83); Watson Brown (1984-85); Jerry Berndt (present).

SMU: Hayden Fry (1962-72); Dave Smith (1973-75); Ron Meyer (1976-81); Bobby Collins (1982-86); TBA.

Texas: Darrell Royal (1957-76); Fred Akers (1977-86); David McWilliams (1987).

Texas A&M: Emory Bellard (1972-78); Tom Wilson (1978-81); Jackie Sherrill (1982-present).

TCU: Billy Tohill (1972-73); Jim Shofner (1974-76); F.A. Dry (1977-82); Jim Wacker (1983-present).

Texas Tech: Jim Carlen (1970-74); Steve Sloan (1975-77); Rex Dockery (1978-80); Jerry Moore (1981-85); David McWilliams (1986); Spike Dykes (1987).

4. Baylor was honored by the ASSOCIATED PRESS with the Southwest Conference Player of the Week five times during the 1986 season. Also, Thomas Everett was picked SPORTS ILLUSTRATED National Defensive Player of the Week following the Texas Tech game. Those players named SWC Player of the Week and that dates there were picked: Cody Carlson (Wyoming), Cody Carlson (TCU), Thomas Everett (Wyoming), Thomas Everett (Texas Tech) and Keith Rose (Houston).

5. Team captains for the 1986 Bears are Cody Carlson, John Adickes, Ray Berry and Thomas Everett. Carlson is a three-year Baylor captain, the first player so honored on a Grant Teaff-coached Bear squad.

6. Seven former walk-ons contributed to the 1986 Baylor success story. They are: James Lee, Mark Mahler, Kevin Marsh, Derrick McAdoo, Jim Mueller, Dennis Smith and Terry Syler.

7. The Bears had more total yardage than their opponent in each of their 11 games this season. The largest margin the Bears held in total offense over an opponent this year was 368 yards against Louisiana Tech. (That night, Baylor had 422 yards of total offense while Louisiana Tech had 54.) The smallest total yardage margin was 40 against Texas A&M. (The Bears had 431 total yards against the Aggies while A&M had 391.)

8. Baylor and Colorado have met on the gridiron five times, with the Buffaloes holding a 3-2 all-time advantage. The series:

GAME ONE: The Baylor Bears won their first game under new head coach John Bridgers 15-7 over Colorado before 28,000 Sept. 26, 1959 at Folsom Field. The hosts, using a Variable-T offense under head coach Everett (Sonny) Grandelius, scored with 6:46 left in the first quarter on a one-yard plunge by quarterback Gale Weidner. The Bears, 4-6 on the season, however tied the game in the second quarter on the contest's biggest play, a 74-yard sprint by all-America half-back Ronnie Bull. Bull, the game's leading rusher with 106 yards on seven carries, also scored the Bears' other touchdown on a 10-yard pass from quarterback Ronnie Staley with 9:55 left in the third quarter.

GAME TWO: Ronnie Bull's 60-yard second quarter punt return for a touchdown propelled the Baylor Bears to a 26-0 season-opening win over Colorado Sept. 24, 1960 in Waco. Running back Ronnie Goodwin, the Bears' leading rusher that day with 31 yards, scored the first touchdown in the first quarter on a three-yard blast. After Bull's return, quarterback Ronnie Staley and fullback Robert Starr later added Baylor touchdown runs. Baylor, under head coach John Bridgers, ended the season 8-3 and Gator Bowl participants. Colorado, led by quarterback Gale Weidner's 32 rushing yards, were coached by Everett (Sonny) Grandelius.

GAME THREE: Colorado running back Wilmer Cooks ran for 73 yards and the Buffalo defense held Baylor to 72 rushing yards as the Buffaloes defeated the Bears 13-7 before 29,000 Sept. 24, 1966 in Waco. Head Coach Eddie Crowder's Buffaloes finished second in the Big Eight Conference and 7-3 on the season. Baylor's Terry Southall completed 18 of 38 passes for 170 yards, but was intercepted four times.

GAME FOUR: Quarterback Bobby Anderson was a one-man wrecking crew for Colorado on Sept. 16, 1967 as the Buffaloes defeated Baylor 27-7 before 31,400 at Folsom Field. Anderson, rushed for 83 yards and three touchdowns and completed 11 of 21 passes for 129 yards. The Bears could rush for only 107 yards and three quarterbacks (Kenny Stockdale, Alvin Flynn and Joe Reed) could complete only eight of 20 passes for 106 yards. Colorado was coached by Eddie Crowder and Baylor by John Bridgers.

GAME FIVE: The big play was just what the doctor ordered on Sept. 29, 1973 as Colorado shipped Baylor 52-28 before 48,041 at Folsom Field. The Buffaloes of coach Eddie Crowder had scoring plays that covered 42, 23, 39, 43, and 49 yards. Running back Matthews had 140 yards rushing for Colorado and end J.V. Cain caught six passes for 85 yards and two touchdowns. Coach Grant Teaff's Bears finished 2-9 on the year.

9. Baylor is 13-16 all-time against members of the Big Eight Conference. The breakdown: Colorado 2-3, Oklahoma 0-4, Oklahoma State 9-3, Kansas 0-1, Missouri 1-2 and Nebraska 1-2.

10. Baylor has appeared in two previous Bluebonnet Bowls. The Bears defeated LSU 14-7 in the 1963 classic and lost to Oklahoma State 24-14 in the 1983 game. (For more details, see the Bluebonnet Bowl Media Guide.)

11. Baylor should be familiar with Rice Stadium and the Greater Houston area. The Bears have already made one appearance in Rice Stadium this year, defeating the Rice Owls 23-17 in a November 15 Southwest Conference game. In addition, of the Bear's top 94 players, 18 hail from the Greater Houston area.

12. Ten Bears were invited to post-season all-star games. John Adickes and Steve Grumbine will go to the Japan Bowl, Cody Carlson and Thomas Everett will play in the Hula Bowl, and Ray Berry and Ron Frnacis will participate in the East-West Shring Game. Francis will also play in the Senior Bowl. Also, Mark Bates, Don Robinson, Derrick McAdoo and Robert Watters were invited to the Blue-Gray Game, but could not play because of a conflict with the Bluebonnet Bowl.

13. Here's a breakdown of the major pre-season polls and how they ranked the Bears: Associated Press — 12, United Press International — 12, Sporting News — 18, Texas Football — 14, Street & Smith's — 10, Sport — 15, Sports Illustrated — 13, ABC Sports — 8, Football News — 13, Playboy — 9, Athlon — 16, College & Pro Football Newsweekly — 6. Texas A&M was predicted to win the SWC, while the Bears were tabbed for a runnerup spot behind them.

14. Baylor enters the Bluebonnet Bowl relatively free of injuries (barring unforeseen practice injuries). Only defensive tackle Steve Grumbine (stretched knee ligaments) and flanker Darnell Chase (broken arm) came out of the Texas game with injuries. Both should be fine for the Bowl game.

15. Baylor remained amazingly injury free in 1986. Quarterback Cody Carlson missed the Rice game with bruised ribs and linebacker Ray Berry missed the same contest with a hyperextended knee. Darnell Chase missed six games with a broken arm. Joel Porter and Kobe Fornes both missed the TCU game with bad ankles and Derrick McAdoo had to sit out the Louisiana Tech and USC games with a knee strain.

16. Quarterback Cody Carlson, split end Matt Clark and offensive tackle Joel Porter were selected to the Southwest Conference all-Academic team. In addition, Clark is a finalist for the national all-Academic team.

17. Twenty-one members of the current Baylor team were members of the Baylor team that played in the 1983 Bluebonnet Bowl. Four 1986 Bears, John Adickes, Cody Carlson, Aaron Grant and Thomas Everett started that game against Oklahoma State. Carlson and Adickes played their same positions, quarterback and center, respectively. However, Aaron grant played in '83 at roverback and he'll be the Bears' middle linebacker this time around. And Thomas Everett started at cornerback three years ago and line up at free safety this year.
